Did you Know

City Harvest Food Rescue Canterbury has been operating for only 3 months in Timaru but already this organisation has been responsible for diverting 16 tonnes of edible food (past its best by date) from the landfill. The food distributed to various organisations is equivalent to around 5,600 meals.

Timaru Distrct collects about 22,000 tonnes of different waste streams per year. Of this material, it is estimated 60% is recycled.
